U S

TECHNOLOGY & GAMING JOURNALIST · EDITORIAL STRATEGIST

+91 95600 34930 upanishadsharma97@gmail.com linkedin.com/in/u-sharma- beebom.com/author/upanishad5574

Technology and gaming journalist with 5+ years and 950+ bylined stories across breaking news, product launches, reviews, and opinion. Reported on OpenAI's leadership crisis, Google's Gemini launch, and the GTA 6 leak as they broke. As Gaming Editor at Beebom, grew the section to 50M+ monthly views - the most-read on the site - and was one of the first writers growing its AI coverage. Combines hands-on reporting with data-driven editorial strategy, SEO, and team leadership. Currently freelancing while pursuing full-time editorial roles.

EXPERIENCE

Freelance Technology & Gaming Writer · Tech Nerdiness, Remote

Jul 2025 - Present

- Write technology and gaming news, reviews, and explainers as an independent contributor, managing pitches and deadlines across multiple outlets.

Gaming Editor · Beebom Media, Noida

Jan 2024 - Jul 2025

- Led the gaming category to 50M+ monthly views, making it the most-viewed section on the site; grew Fortnite coverage from 10K to 250K+ monthly views and launched NYT Connections coverage to 2M+ views from inception.
- Built and led a team of six writers while continuing to publish reviews, news, and features personally - including industry analysis tracing GTA 6's delay to Take-Two's earnings-call commentary and personal-voice opinion pieces on consumer gaming issues.
- Planned and edited coverage of major releases (Elden Ring Nightreign, Starfield, Doom: The Dark Ages) for accuracy and voice.

Operations & AI Strategist · Beebom Media, Noida

Mar 2023 - Dec 2023

- One of the first writers on Beebom's AI coverage, playing a major role in growing it into a core editorial beat; reported on OpenAI's removal of Sam Altman and Google's Gemini launch as they broke - first major AI piece drew 600K views in 3 days.
- Led company-wide OKR implementation and partnered with leadership on long-term content and growth strategy.

Researcher & Technology Writer · Beebom Media, Noida

May 2021 - Mar 2023

- Wrote hands-on hardware reviews (Lenovo Legion 5i Pro, MSI Raider GE67 HX, GoPro Hero 11 Black) and covered early generative AI as it launched (GPT-4, Google Bard, Bing AI).
- Drove research and topic strategy for a YouTube vertical with 3M+ subscribers, directly informing scripting decisions.

Co-Founder & Entertainment Editor · The Envoy Web

Jan 2019 - May 2021

- Co-founded an entertainment publication and grew it to 5M+ views, leading content strategy and editorial planning.
